It is necessary to have your registration form by this time to schedule the event. If your registration form has not been received by this date there is no guarantee of an assessment time. The bands will be scheduled according the music grade level and group size when possible. If you should have any problem with transportation or a major scheduling conflict, every effort will be made to schedule your group as requested. At this point, assessment times will start at 10:00am on Thursday and conclude by 6:00pm and Friday at 10:00 a.m. until 7:00. I will make every effort to have no performance times past 7:00pm as long as this remains a 2 day event. If the event is one day, then the start time will be approximately 9:30am and the conclusion will be at approximately 9:00pm. The non-member fee for NAFME is \$123.00 for any director that has not joined this organization. The Assessment registration fee is \$225 Make checks payable to: Virginia High School (and note the check as “VBODA District VII Concert Assessment”). If this becomes a one day event, all registered groups will be notified by email ASAP. The VMEA fee “per student” will be included in the registration fee. It is important that we have an accurate number of students per group. If a group cancels after registration payment is made, there is no guarantee that a full/partial refund will be made.
